Trauma Recovery
 EMDR HUMANITARIAN ASSISTANCE PROGRAMS

In 2014 we continued to expand our reach to underserved communities throughout the world. We were lead sponsor of the second EMDR Asia Conference and presenters at EMDR Europe in Scotland and EMDR Canada conferences.

Through the amazing work and dedication of our trainers and volunteers, we were able to respond to the catastrophic typhoon in the Philippines and the stunning mudslide in Washington State. Thank you to all whose donations to our Disaster Relief Fund made it possible for us to be there to help. Our network of donors and volunteers is truly something special.
