Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of EMDR Humanitarian Assistance Programs, Inc. as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the EMDR Humanitarian Assistance Programs, Inc.'s 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 27, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization:

EMDR Humanitarian Assistance Programs, Inc. (the Organization) is a non-profit Organization, incorporated within the State of California. The Organization's tax-exempt status has been certified by the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code. The primary objectives and purposes of the Organization shall be to extend access to mental health services for underserved populations anywhere in the world through public and professional education, humanitarian services, and supportive research, with emphasis on building the capacity of local care givers to provide effective care for psychological trauma. The Organization's fiscal year begins on July 1 and ends on June 30. A summary of the Organization's accounting policies that affect the significant elements of the financial statements are stated below.

Basis of Presentation and Accounting Method:

The Organization follows the recommendations of the Financial Accounting Standards Board for Financial Statements of Not-for-Profit Organizations. Under those provisions, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The financial statements of EMDR Humanitarian Assistance Programs, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Further, the use of estimates also affects the levels of revenues and expenses recorded throughout the reporting period. Actual results could differ from those estimates.

Promises to Give:

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

EMDR HUMANITARIAN ASSISTANCE PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

Restricted and Unrestricted Revenue and Support:

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or the purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Statement of Cash Flows:

The Organization considers demand deposits, certificates of deposit and all highly liquid investments with a maturity of three months or less to be cash equivalents.

Accounts Receivable:

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the financial statements.

Property, Plant and Equipment:

Buildings, improvements and equipment are carried at the cost of acquisition. The Organization follows the practice of capitalizing all expenditures for property and equipment equal to or in excess of \$1,000. The Organization uses the straight-line method of depreciation in all cases, allocating the cost of acquisition of property and equipment evenly over their expected useful lives. The depreciated cost of all property and equipment represents that portion of the original cost not yet allocated as charge against operations and does not purport to be realizable value or a replacement cost. Upon retirement or disposal, gain or loss, if any, is reflected in earnings for the period.

EMDR HUMANITARIAN ASSISTANCE PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

The estimated useful lives are as follows

Computers	5 years
Website costs	3 years
Furniture and equipment	5-7 years

Land	\$ 35,115
Computer equipment and software	53,306
Furniture and fixtures	<u>20,765</u>
Total Costs	109,186
Less accumulated depreciation	<u>(99,028)</u>
Net property and equipment	<u>\$ 10,158</u>

Comparative Financial Information:

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2016, from which the summarized information is derived.

Reclassifications:

Certain reclassifications have been made to the financial statements to conform to the June 30, 2016 presentation. These reclassifications have no material effect on the financial statements.

Restricted Cash:

Restricted cash is from the McCormick Foundation grant and other funding sources. The McCormick grant stipulates that the grant money can only be used for the purpose of the grant. The amounts for the purpose of the grant and other amounts were merged into one bank account. The total of these amounts was \$133,797. Additionally, other amounts held in separate bank accounts based on donor restriction amounted to \$145,607. The total balance in these restricted accounts as of June 30, 2016 was \$279,404

EMDR HUMANITARIAN ASSISTANCE PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

Corporate Income Taxes:

The Internal Revenue Service has ruled that under Section 501 (c) (3) of the Internal Revenue Code, the Organization qualifies as an Organization exempt from income tax under the present Federal income tax laws. Further, the Internal Revenue Service has ruled that the Organization is not a private foundation in accordance with Section 170 (b) (1) (a) (iv) of the Internal Revenue Code. The Organization is additionally exempt from State income taxation by virtue of its Federal exemption.

The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization's Return of Organizations Exempt From Income Tax (Form 990) for the years ended June 30, 2013, 2014, and 2015 are subject to examination by the IRS, generally for three years after they were filed.

Allocation Expenses:

The costs of providing the various programs and other supporting activities of the Organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that were clearly identifiable as being for a specific function were allocated to that function. All other expenses were allocated based on management's estimation of time spent on a particular function or asset usage. Various allocation methods may change from year to year based upon management's review of internal processes.

Gains and Losses:

The realized gain or loss on the sale of investments is the difference between the proceeds received and the average cost of the investment sold. Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between the fair value and cost of investments.

Deferred Training Revenue:

Deferred revenue represents program income from training services invoiced in the period prior to the fiscal year in which such training services are provided.

Deferred Grant Revenue:

The Organization recognizes grant funds as revenue to the extent the funds are expended. Grant funds received and not currently expended by the Organization are reflected as deferred revenue until such funds are expended.

2. OPERATING LEASE

As of August 24, 2009, the Organization entered into a five year lease for office space that expired October 2014 at a cost of \$17,116 per year. The Organization amended the lease agreement on November 1, 2014 to extend through October 2016 at a cost of \$17,894 per year. The Organization amended the lease November 1, 2016 to extend through October 2018 at a cost of \$18,672 per year. Total rent expense for the year ended June 30, 2016 was \$17,894.

The following is a schedule by year of future minimum lease payments required under the lease as of June 30, 2016:

3. DEFERRED GRANTS AND TRAINING REVENUE

The Organization received a \$250,000 grant in November 2008 from the McCormick Foundation's "Welcome Back Veterans" initiative. The grant money is to be used to train service providers to treat veterans with post-traumatic stress. The grant money and any interest earned on it can only be used for the purposes of this grant. As such, the grant money is segregated in a separate account. Of this amount \$43,553 was unexpended and shown as deferred grant revenue as of June 30, 2016.

In May 2012 the Organization was awarded an \$8,000 grant from the Kent Richard Hoffman Foundation Inc. The grant is to be used to support mental health training. The Organization received \$4,000 of that grant prior to June 30, 2014. Of this amount \$2,094 is unexpended and shown as deferred grant revenue as of June 30, 2016.

Total deferred grants amounted to \$45,647 as of June 30, 2016.

Total deferred training revenue for the year ended June 30, 2016 was \$148,702.

4. DONATED SERVICES

A substantial number of volunteers have donated significant amounts of time in the area of clinical training and trauma education in international disaster settings and in community mental health agencies across the U.S. If these hours were valued at commercial rates, the Organization would have received approximately \$2,156,100 of training time for domestic, military and international clinician training during the year ended June 30, 2016.

EMDR HUMANITARIAN ASSISTANCE PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

The estimated fair value of the rent during the year ended June 30, 2016 was \$131,700, and has been included in program services and program expenses in the statements of activities and net assets.

5. INVESTMENTS

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Investments are stated at fair value and consist primarily of equity securities and mutual funds.

	<u>June 30, 2016</u>

Equities	<u>\$ 59,097</u>	<u>\$ 58,960</u>	<u>\$ (137)</u>

	<u>2016</u>

Net realized and unrealized loss	<u>(10,682)</u>
Total Net Unrestricted Investment Loss	<u>\$ (8,838)</u>

6. CONCENTRATIONS OF CREDIT RISK

The Organization maintains a substantial portion of its cash with one financial institution. At June 30, 2016, and at other times of the year, amounts of cash and cash equivalents maintained on deposit may be in excess of Federal Deposit Insurance Corporation (FDIC) limits. As of June 30, 2016 there was \$61,183 in excess of insured limits.

EMDR HUMANITARIAN ASSISTANCE PROGRAMS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016

7. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) Topic 820, “Fair Value Measurements and Disclosures” (“ASC 820”), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under ASC 820 are described below:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in market that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and observable.

The asset’s and liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Equities: Valued at quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
