

2024 HAP® CONFERENCE

SPONSOR & EXHIBITOR PROSPECTUS

*Enhancing Community Recovery and
Response with EMDR*

August 23-25, 2024
Philadelphia Marriott Downtown

OVERVIEW

Trauma Recovery/HAP was founded nearly 30 years ago, in the wake of the 1995 Oklahoma City bombing, when approximately 100 volunteer clinicians trained in EMDR therapy provided pro bono treatment for the bombing victims and front-line responders.

Since then, we have coordinated projects throughout the U.S. and internationally in more than 30 countries, always with the goal to alleviate suffering and to increase the capacity for effective treatment of psychological trauma.

The 2024 HAP Conference will be a platform for global voices to work together to inspire and inform the collective future of EMDR providers and researchers around the world.

Why participate?

Our conference attendees represent leading professionals in the fields of EMDR therapy, trauma treatment, and disaster response. Our conference allows organizations to network with attendees who have traveled from around the globe to be present.

Benefits for conference sponsors & exhibitors include the opportunity to generate new leads, increase visibility for your company, network with mental health professionals from around the country, and advertise to a wide range of attendees.
